

STUDENT RESEARCH POSTERS 1/2

- 1.**
Title: Exercise adherence in people with lung or head and neck cancer: Self-reported symptoms and motivation during cancer treatment
Author: Karina Souza, IPLeiria, Portugal
- 2.**
Title: From Evidence Mapping to Experimental Design: Developing Solutions for Carpal Tunnel Syndrome
Author: Rafael Tavares, UBU, Portugal
- 3.**
Title: Behaviour change techniques in physical activity and sedentary behaviour interventions in COPD
Author: Nádia Hipólito, IPLeiria, Portugal
- 4.**
Title: Development and Characterization of Pediatric Prednisolone-Loaded Gummy Formulation: A Proof-of-Concept Study
Author: Solange Castanheira, IPLeiria, Portugal
- 5.**
Title: Clinical Profiles and Prognosis in HFpEF: Preliminary Data from a Portuguese Center
Author: Sónia Santos, IPLeiria, Portugal
- 6.**
Title: Using OPC UA PubSub for Real-time Control in a Conveyor Tracking Application
Author: David Pereira, IPLeiria, Portugal
- 7.**
Title: Experimental and Numerical Investigation of the Performance Characteristics of a Supersonic Ejector
Author: Daniel Stuchlík, TUL, Czech Republic
- 8.**
Title: AI-Based Emotional Modulation in Adolescents: A Dual-Process Model Integrating Psychometrics and Biosignals
Author: Elaine Alves Pinheiro, IPLeiria, Portugal
- 9.**
Title: Synchronized Motion and Extrusion Control for Robotic FFF Using ABB EGM
Author: Marcella Cavalcanti, TUS, Ireland
- 10.**
Title: Continuous monitoring and analysis of additive manufacturing processes
Author: Francisco Marques, IPLeiria, Portugal
- 11.**
Title: Ukrainian influencers' behaviour on Instagram
Author: Alina Tyschneko, NHL Stenden, The Netherlands
- 12.**
Title: "Do you feel European?" — A Content & Media Strategy for Eurodesk to Engage Rural Youth in European Volunteering
Author: Letizia Cenni, NHL Stenden, The Netherlands
- 13.**
Title: Exploration of Futures Thinking for Energy Communities
Author: Lal Chand, TUS, Ireland
- 14.**
Title: Entrepreneurship in the Gourmet Gastronomy Sector and the Consumer Experience
Author: Davide Ferreira, IPCA, Portugal
- 15.**
Title: Life: Designing for Ecological Well-being
Author: Ana Cação, IPLeiria, Portugal
- 16.**
Title: Uma abordagem de ciência cidadã para a biomonitorização da qualidade da água na bacia hidrográfica do rio Lis
Author: Larissa Togeiro, IPLeiria, Portugal
- 17.**
Title: Literature Review on Implementing Recurrent Neural Networks in Electronic Circuits for Associative Memory Simulation
Author: Ana Silva, IPLeiria, Portugal
- 18.**
Title: The role of forecast accuracy in food procurement to minimise food waste in University F&B outlets
Author: Thi Kim Chi Kieu, NHL Stenden, The Netherlands
- 19.**
Title: Sustainability and Tourism Destinations in Immersive Digital Environments
Author: Giovana Goretti Almeida, IPLeiria, Portugal
- 20.**
Title: Residents' Perceptions of Tourism Development in Região Centro de Portugal: A Qualitative Analysis
Author: Mariana Vieira, IPLeiria, Portugal
- 21.**
Title: Gamificação na Era do Turismo Personalizado: Estratégias de Desenvolvimento de Aplicações Móveis para Experiências Turísticas Memoráveis
Author: Micael Fidalgo, IPLeiria, Portugal
- 22.**
Title: Marca Territorial e Ambientes Digitais Imersivos aplicados ao Turismo
Author: José Pereira, IPLeiria, Portugal
- 23.**
Title: Beyond the bundle: analyzing the influence of price disclosure on tourism package satisfaction
Author: Alexandra Lavaredas, IPLeiria, Portugal
- 24.**
Title: Implementing circular practices in tourism: Examples from Portugal's hospitality and restaurant sectors
Author: Patrícia Esteves, IPLeiria, Portugal
- 25.**
Title: Co-Creation of Agroecological Knowledge for Sustainable Agriculture
Author: Helena Eslon, HAMK, Finland
- 26.**
Title: An Integrated Framework for Estimating Environmental Carrying Capacity in Freshwater Reservoir Aquaculture
Author: Elisa Maia de Godoy, Unesp/Caunesp, Portugal
- 27.**
Title: Development of biopolymers from marine resources for sustainable solutions
Author: Henrique Ferreira, IPLeiria, Portugal
- 28.**
Title: Hub4Food - Atlantic Food Innovation Hub
Author: Tânia Ferreira, IPLeiria, Portugal

STUDENT RESEARCH POSTERS 2/2

- 29.**
Title: Reducing Food Waste in Higher Education: Quantification and Insights from Student Behaviour
Author: Claudia Cabral, IPLeiria, Portugal
- 30.**
Title: Understanding Consumer Behaviour Towards Near-Expiry Food Products: Implications for Food Waste Reduction
Author: Margarida Sousa, IPLeiria, Portugal
- 31.**
Title: Association between chronotype and nutritional lipid intake in a sample of Portuguese women
Author: Marlene Lages, IPLeiria, Portugal
- 32.**
Title: Testerep 5000 years of coastal evolution
Author: Nicholas Lu, Howest, Belgium
- 33.**
Title: Avaliação do Potencial Neuroprotetor de Extratos Naturais da alga *Dictyota dichotoma* em Células Neuronais SH-SY5Y
Author: Tiago Lourenço, IPLeiria, Portugal
- 34.**
Title: Synergistic macroalgal biopolymer networks as dermal-ECM collagen biomimetics: integrating invasive *Rugulopteryx okamurae* bioactive fractions into hydrogel systems
Author: João F. Costa, IPLeiria, Portugal
- 35.**
Title: Circular Biorefinery of IMTA-Cultivated *Codium* sp. for Skin Care Ingredients
Author: Margarida Matias, TUS, Ireland
- 36.**
Title: Enhancing edible commercial mushroom through sustainable microalgae fortification and waste bioremediation
Author: João Rui Tanoeiro, TUS, Ireland
- 37.**
Title: *Rugulopteryx okamurae*, an invasive seaweed with potential applications in cosmetics
Author: Diogo Cardoso, IPLeiria, Portugal
- 38.**
Title: Neuroprotective Potential of Sphaerococcenol A and Its Derivatives in Parkinson's Disease *in vitro* Model
Author: Bruno Fonseca, IPLeiria, Portugal
- 39.**
Title: From Marine Macroalgae to Neuroprotection: Effects of Sphaerococcenol A Analogues on Signalling Pathways
Author: Isabel Abreu, IPLeiria, Portugal
- 40.**
Title: Evaluation of the dermocosmetic potential of extracts derived from the mushrooms *Trametes versicolor* and *Ganoderma lucidum*
Author: Bruna Renca, IPLeiria, Portugal
- 41.**
Title: When fungi attack mushrooms: can seaweed extracts tip fungal interactions?
Author: Afonso Silva, IPLeiria, Portugal
- 42.**
Title: Sequencing the Future: environmental metagenomics and innovation with nanopore sequencing technology
Author: Cedric Hermans, Howest, Belgium
- 43.**
Title: Evaluation of the antitumor activity of *Rugulopteryx okamurae*
Author: Rafael Casimiro, Pedro Cordeiro & Miguel Colaço, IPLeiria, Portugal
- 44.**
Title: Extraction and Detection of PFAS in polymeric samples of packaging materials using tandem LC-MS/MS
Author: Bernardo Faustino, IPLeiria, Portugal
- 45.**
Title: Avaliação da atividade antibacteriana e citoprotetora de polissacarídeos sulfatados de algas marinhas em queratinócitos humanos (HaCaT)
Author: Ana Rita Zina, IPLeiria, Portugal
- 46.**
Title: Evaluation of the antibacterial and cytoprotective activity of sulfated polysaccharides from marine algae in human keratinocytes (HaCaT)
Author: Lara Dias, IPLeiria, Portugal
- 47.**
Title: Percursos Profissionais em Biotecnologia: Da Investigação à Aplicação
Author: Carolina Freitas, IPLeiria, Portugal
- 48.**
Title: Evaluation of the Neuroprotective Potential of Natural Extracts from the Algae *Dictyota dichotoma* in SH-SY5Y Neuronal Cells
Author: Ricardo Alves, IPLeiria, Portugal
- 49.**
Title: Development of bio-based triple-layered coatings for sustainable food packaging applications
Author: João Nuno Costa & Miguel Quiaios, IPLeiria, Portugal
- 50.**
Title: 3DFreshPad - 3D Printing for Fresh and Sustainable Food Packaging
Author: Anabela Massano, IPLeiria, Portugal
- 51.**
Title: Macroalgae Proximate Composition: Insights into Their Potential as Industrial Resources
Author: Juliana Gaspar, IPLeiria, Portugal
- 52.**
Title: Neuroprotective Effects of the Hydroethanolic Extract and Bioactive Fractions from the Brown Seaweed *Canistrocarpus cervicornis* in an *in vitro* Parkinson's Disease Cellular Model
Author: Thalísia Santos, IPLeiria, Portugal
- 53.**
Title: Extraction, Characterization, and Biological Evaluation of Marine Collagen from the Common Skate (*Mustelus mustelus*) in Human HaCaT Keratinocytes
Author: Catarina Quaresma & Ana Pinto, IPLeiria, Portugal
- 54.**
Title: Avaliação do potencial antioxidante e antibacteriano do extrato de *Rugulopteryx okamurae*
Author: Hunguieky Canga & João Valquíria, IPLeiria, Portugal
