Sustainable Development Goals in Pandemic Times

29-05-2020/ 6:00p.m./ @Zoom/Colibri

Master in International Business/Mestrado em Gestão/Mestrado em Administração Pública/Lic.Administração Pública
Course: International Negotiation/Seminários de Gestão II/Liderança e Negociação Organized by: Tânia Marques

LECTURER

Joana Cabral Oliveira, PhD.

RESUMO/ABSTRACT

Why do the Sustainable Development Goals matter? Could SDG act as a framework to recovery after coronavirus pandemic? In this seminar we will share insights on how the pandemic affected the SDGs and its implications for the future “new normal” world.

BIO

Joana Cabral Oliveira, PhD., completed her PhD in Biology at the University of Coimbra in 2014. She has developed scientific work (through research projects, conferences and publications in international journals) within the scope of marine ecology.

She currently focuses on museology and science communication, being a conservator of the Zoology collection of the Science Museum of the University of Coimbra.
