## **Required reading notes:**

- 1) Subjects taught in Portuguese/Spanish with English support, depending on each teacher's decision whether to give the class in English or in other language. Students will be given materials in English and evaluation will be in English.
- 2) Subject in Portuguese with English support from 3<sup>rd</sup> year are condensed and will have classes in the first 7 weeks of the semester.
- 3) All subjects must be approved on the theoretical and on the practical component.
- 4) Tutorial appointments can be scheduled with each teacher.
- 5) Other subjects may be chosen from our **general offer** but will have classes entirely in Portuguese.
- The scheduling compatibility between subjects may not be total. This compatibility will depend on the chosen course. Any changes to the study plan with subjects from this list will be permitted after the schedules are released at the beginning of the semester.
- 7) In exceptional cases, courses may not have available spaces or may not operate in the advertised format/language. In this case, you will be notified of this change in a timely manner.

Search on browser for "AGCP". On the page, please make sure you choose our school "ESTM" and 2024/2025 school year.

Then search for the syllabus.
