Set	09:00 - 10:00																										Apresentação Mestrado									
	10:00 - 11:00																													AS S.30						
	11:00 - 12:00																													QA S.30	QA S.30	AS S.30				
	12:00 - 13:00																																			
	13:00 - 14:00																																			
	14:00 - 15:00																																			
	15:00 - 16:00																																			
	16:00 - 17:00																																			
17:00 - 18:00																																				
Out	09:00 - 10:00			AS	AS S.30	Feriado					AS LabBio II/AqR M	AS S.30	LabBio I				AS LabBio II/AqR M	AS S.30	LabBio I					AS LabBio II/AqR M		AS S.30	LabBio I						ANA S.30			
	10:00 - 11:00		QA S.30	LabBio II/AqR	BFA S.30						QA S.30														AS S.30		LabBio I	QA S.30					LabBio II/AqR			
	11:00 - 12:00																																			
	12:00 - 13:00																																			
	13:00 - 14:00																																			
	14:00 - 15:00		AS S.30	BFA S.30	LabQuí							BFA S.30	LabQuí	BFA S.30				BFA S.30	BFA S.30	BFA S.30						BFA S.30	ANA S.30	BFA S.30	LabQuí				BFA S.30			
	15:00 - 16:00																																			
	16:00 - 17:00																																			
17:00 - 18:00			AS S.30							AS S.30							AS S.30	QA S.30	ANA S.30					AS S.30			PI S.30					AS S.30				
Nov	09:00 - 10:00	Feriado		AS S.30				ANA S.30								LabBio II/AqR M	AS S.30	CeteMa res					ANA S.30	CeteMa res												
	10:00 - 11:00		LabBio I	QA S.30				LabBio II/AqR	BFA S.30	QA S.30																				ANA S.30	Lab.Aq RM	ANA S.30	CeteMa res			
	11:00 - 12:00																																			
	12:00 - 13:00																																			
	13:00 - 14:00																																			
	14:00 - 15:00			BFA S.30	LabQuí			AS s.30	AS S.30	AS S.30	BFA S.30					AS s.30	BFA S.30	BFA S.30					AS s.30	PI S.30	BFA S.30					ANA S.17		PI S.30	PI S.30			
	15:00 - 16:00																																			
	16:00 - 17:00			PI S.30																																
17:00 - 18:00																																				
Dez	09:00 - 10:00	Feriado				ANA LabBio II/AqR M										LabBio I								LabBio II		ANA S.30	Interrupção Letiva do Natal									
	10:00 - 11:00																																			
	11:00 - 12:00																																			
	12:00 - 13:00																																			
	13:00 - 14:00																																			
	14:00 - 15:00																																			
	15:00 - 16:00																																			
	16:00 - 17:00																																			
17:00 - 18:00																																				
Jan	10:00 - 12:00	Interrupção Letiva do Natal																								Exames Época Normal										
	14:00 - 16:00																																			
	16:00 - 18:00																																			
	18:00 - 20:00																																			
Fev	10:00 - 12:00	EER				Exames Época Recurso																			Exames Época Recurso											
	14:00 - 16:00																																			
	16:00 - 18:00																																			
	18:00 - 20:00																																			

SF

Biologia e Fisiologia em Aquacultura

RB

Qualidade da Água

JR

Avanços em Nutrição e Alimentação

AP

Aquacultura Sustentável

PMS

Aquacultura Sustentável

TB

Patologia e Imunologia

DP

Patologia e Imunologia
