

**NOTICE**  
**CREATIVE CONTEST “INCLUSION IN TIMES OF PANDEMIC”**  
INTERNATIONAL WEEK 2021

**FRAMEWORK**

With this initiative we want to encourage the student community of the Polytechnic of Leiria to participate in a creative competition on the theme “Inclusion in Times of Pandemic”, through the creation of digital material related to the theme – Photography,

**OBJECTIVE**

The objective of this competition is the sensitization to inclusion, which is one of the main foci of the European Commission for 2021/2027. This topic is relevant because of the diversity of approaches it encourages and also because we are enduring a period of forced isolation, which in turn allows us a reflexion about this theme.

The competition will end with an exhibition during the International Week of the Polytechnic of Leiria, which will be published on its web page and social networks.

**TECHNICAL SPECIFICATIONS**

Images should be submitted preferably in TIFF format, though JPEG can also be accepted as long as images have a resolution of at least 1280x768 and a file size of 10MB at the most (per image).

The name of the digital file of each photo must include these items:

AuthorFirstName\_AuthorLastName\_PhotoTitle

**PARTICIPANTS**

The competition is open to the whole student community of the Polytechnic of Leiria including national, international and mobility students.
