5.2 - According to article no. 19 of *ECPDESP*, only those who hold a Doctor's degree or a title of specialist, in the competition's area or a similar area, obtained at least five years before this competition, may apply.

5.3 - Candidates holding foreign qualifications must prove the recognition, equivalence or record of the Doctor's degree, under the terms of the applicable legislation. The specialist title indicated in article no. 19 of *ECPDESP* refers to the one specified in article no. 48 of Law no. 62/20017, dated September 10th, and Decree-Law no. 206/2009, dated August 31st.

6 - Application procedure:

6.1 - Applications must be presented in person, or by mail (registered letter with return receipt requested), sent to the following address of the Polytechnic of Leiria: Rua General Norton de Matos, Apartado 4133, 2411-901 Leiria, until the date established for applications' submission, as specified in no. 1 of this Public Notice.

6.2 - Applications are made by presenting a duly dated and signed competition admission request (form available at <http://www.ipleiria.pt/recursos-humanos/concursos>), addressed to the President of the Polytechnic of Leiria, which must include: full name, date of birth, gender, nationality, I.D. number, address, email, telephone number, academic qualifications, professional category and position currently held (if applicable), indication of the competition, the number of the Public Notice, with the reference of the *Diário da República* in which it was published, as well as a list of the documents sent with the request.

6.3 - Candidates must also send the following documents, properly numbered and identified:

- a) Photocopy of the academic and professional qualification certificates or other legally recognized document;
- b) Declaration, with a sworn statement, to be provided in the form indicated in no. 6.2 of this Public Notice, of their status regarding each of the conditions of a), b), c) and d) of 5.1 of this Public Notice;
- c) Documents attesting that the candidate meets the legal conditions referred in no. 5.2 and 5.3 (if applicable) of this Public Notice;
- d) 1 copy of the *curriculum vitae*, duly dated and signed, organized in accordance with the selection and seriation criteria, the assessment system, and final classification established in no. 7 of this Public Notice;
- e) 1 copy of the documents attesting the facts stated in the candidate's *curriculum vitae*;
- f) List with the exact identification of all documents provided (the name of each file), in a non-editable format.

6.4 - The candidate must provide a copy of the documents mentioned in d) and e) in a non-editable format (pdf), in a duly identified digital recording device (CD/DVD/PEN), making sure the files are readable and providing short file names.

6.5 - The documents must be presented in Portuguese, Spanish or English. Any document attesting the facts stated in the candidate's *curriculum vitae* or any work mentioned in the candidate's *curriculum vitae* which is written in a different language from the abovementioned must also be translated into Portuguese, Spanish or English.

6.6 - The non-presentation of the documents attesting the facts required in no. 5.1, 5.2 and 5.3 (if applicable) of this Public Notice, or the presentation after the period stipulated in no. 1, will lead to the exclusion of the application.

6.7 - The non-presentation of the documents related to the *curriculum vitae* of the candidate, or their presentation after the period stipulated in no. 1, will lead to the exclusion of those aspects.

6.8 - The presentation of false documents will lead to immediate exclusion from the competition, and those facts will be reported to the competent authority for purposes of criminal prosecution.

6.9 - The documents provided by candidates shall be returned upon request, one year after the termination of this competition, except in the event that the competition has been subject to judicial objection, in which case the documents may only be returned after the jurisdictional decision is made.

7 - Selection and seriation criteria, assessment system, and final classification (established under the terms of articles 11(2)(a) and 18(1)(l) and (m), and no. 2 and 3 of Order no. 10 990/2010):

7.1 - Technical and scientific and professional performance (TSPP), in which the following must be considered:

- 1) Participation in R&D projects, in the competition's area (PRDP);
- 2) Scientific production, publications, and communications in national and international conferences, in the competition's area (SP);
- 3) Supervision of works leading to academic qualifications, in the competition's area (SW);
- 4) Participation in juries of works leading to academic qualifications, in the competition's area (PJ);
- 5) Participation in juries of academic examinations (PJAE);
- 6) Participation in juries and processes of higher education academic staff competitions (PJSC);
- 7) Professional activities, considered relevant for the competition's area (PA).

7.1.1 - The classification to be awarded for this criterion represents 40% of the final classification, and is obtained by using the following formula:

$$TPSS = 10\% PRDP + 40\% SP + 10\% SW + 10\% PJ + 10\% PJAE + 10\% PJSC + 10\% PA;$$

The parameters should be evaluated as follows:

PRDP: Participation in R&D projects, considered relevant for the competition's area, considering the number of projects, the funding, and the role of the candidate in the project, in a scale of 0 to 100;

SP: Publications in scientific journals, scientific book chapters, and articles presented in national and international scientific conferences, in areas considered relevant for the competition's area, considering the number and type of publication, in a scale of 0 to 100;

SW: Supervision of works leading to Master's or Doctor's degrees, in the competition's area, considering the number, type and relevance of the themes, as well as the involvement of the candidate in the supervision, in a scale of 0 to 100;

PJ: Participation in juries of works leading to academic qualifications, in the competition's area, considering the number and type of examinations, in a scale of 0 to 100;

PJAE: Participation in juries of academic examinations, when the candidate is not supervisor or member of the jury, considering the number and type of examinations, in a scale of 0 to 100;

PJSC: Participation in juries and processes of higher education career academic staff competitions, as well as preparation of reports in processes for hiring invited professors, considering the number and type of participation, in a scale of 0 to 100;

PA: Professional activities, considered relevant for the competition's area, as well as awarded participations in national and international technical events, considering the number, duration, and type of activity/participation, in a scale of 0 to 100.

7.2 - Pedagogical skills (PS), in which the following must be considered:

1) Period as a higher education lecturer (PL);

2) Lectured and coordinated curricular units in undergraduate, Master, and post-graduate degrees, in the competition's area (LS);

3) Participation in the development or revision/adaptation of undergraduate, Master, and post-graduate degrees curricular units' programmes, in the competition's area (PSP);

4) Production of pedagogical material, in the competition's area (PPM).

7.2.1 - The classification to be awarded for this criterion represents 40% of the final classification, and is obtained by using the following formula:

$PS = 20\% PL + 30\% LS + 30\% PSP + 20\% PPM$;

The parameters should be evaluated as follows:

PL: Period as a higher education lecturer, considering the complexity of the duties, in a scale of 0 to 100;

LS: Lectured and coordinated curricular units in undergraduate, Master, and post-graduate degrees, in the competition's area, considering the involvement of the candidate, as well as the level of the degree in which the curricular units are inserted, in a scale of 0 to 100;

PSP: Participation in the development or revision/adaptation of undergraduate, Master, and post-graduate degrees curricular units' programmes, in the competition's area, considering the involvement of the candidate, as well as the level of the degree in which the curricular units are inserted, in a scale of 0 to 100;

PPM: Production of pedagogical material for theory, theory-practice or laboratory classes for curricular units in the competition's area, considering the quantity and quality of the material, in a scale of 0 to 100.

7.3 - Other relevant activities to the mission of the higher education institution, which have been developed by the candidate (RA), in which the following must be considered:

1) Participation in bodies or structures included in the statutes of higher education institutions (PB);

2) Head of department or similar structures (HD);

3) Coordination of undergraduate or Master's degrees (CUM);

4) Coordination and development of hands-on projects or activities, in the competition's area (CProj);

5) Member of management bodies or structures of duly recognized research units with positive evaluation (MRU).

7.3.1 - The classification to be awarded for this criterion represents 20% of the final classification, and is obtained by using the following formula:

$RA = 40\% PB + 30\% HD + 15\% CUM + 10\% CProj + 5\% MRU$;

The parameters should be evaluated as follows:

PB: Participation in bodies or structures included in the statutes of higher education institutions, as well as other committees, considering the duration and complexity of the duties, in a scale of 0 to 100;

HD: Head of department or similar structures, considering the duration and complexity of the duties, in a scale of 0 to 100;

CUM: Coordination of undergraduate or Master's degrees, considering the duration and complexity of the duties, in a scale of 0 to 100;

CProj: Coordination and development of hands-on projects or activities, in the competition's area, which are considered relevant by the institution, considering the duration, value, and complexity, in a scale of 0 to 100;

MRU: Member of management bodies or structures of duly recognized research units with positive evaluation, considering the duration and complexity of the duties, in a scale of 0 to 100.

7.4 - When candidates meet the conditions referred in article no. 26 of Order no. 10 990/2010, the jury should also take that article's provisions into account in its justified assessment.

7.5 - Final classification (FC), in a scale of 0 to 100 points, is obtained by using the following formula:

$$FC = 40\% \text{ TSPP} + 40\% \text{ PS} + 20\% \text{ RA}$$

7.6 - All results are presented rounded to one decimal place.

7.7 - Candidates, who meet all of the following requirements, are considered approved with absolute merit:

a) A *curriculum vitæ* that the jury considers to have scientific, and pedagogical merit, with the development of other activities considered relevant for the higher education institution's mission (compatible with the competition's area);

b) Peer-reviewed scientific publications, in the competition's area;

c) Lectured and coordinated curricular units, in the competition's area.

7.8 - In case of tie, after the final classification is calculated, the jury will successively use the following criteria:

a) Participation in bodies or structures included in the statutes of higher education institutions (PB);

b) Head of department or similar structures (HD);

c) Scientific production, publications, and communications in national and international conferences, in the competition's area (SP);

d) Lectured and coordinated curricular units in undergraduate, Master, and post-graduate degrees, in the competition's area.

8 - Public hearing: After receiving the applications, the jury may decide to hold public hearings, under the terms of article no. 28(4) of Order no. 10 990/2010. In this case, the public hearings shall take place between the 20th and 70th day after the deadline for the applications, and all candidates shall be informed with a five-day notice of the date and place of the public hearings.
