1 - Under the terms of *ECPDESP* [statutes of the academic staff career], approved by Decree-Law no. 185/81, dated July 1st, amended by Decree-Laws no. 69/88, dated March 3rd, and 207/2009, dated August 31st, and by Law no. 7/2010, dated May 13th, and in accordance with the *Regulamento de Recrutamento e Contratação do Pessoal Docente de Carreira* [regulation on the recruitment and hiring of career academic staff] of the Polytechnic of Leiria, published in the *Diário da República*, 2nd series, no. 127, dated July 2nd 2010, the Order no. 10990/2010 makes public that, under an order issued on September 18th of 2019, by the President of the Polytechnic of Leiria, Professor Rui Filipe Pinto Pedrosa, in accordance with a proposal of the Director of the School of Technology and Management of the Polytechnic of Leiria, a competition for the recruitment of one *Professor Adjunto* [senior lecturer], who will be given a public service contract of unspecified duration, in the field of Public Administration, will be open for a period of thirty working days, starting from the date of publication of this Public Notice in the *Diário da República* – 1 place.

2 - Effectiveness: This competition is exclusively for filling the abovementioned place, and will finish when the admission is complete.

3 - Functional content of the category:

3.1 - According to article no. 2-A of *ECPDESP*, polytechnic higher education lecturers are responsible for providing the academic service that is assigned to them, and to guide and supervise students; to develop research, cultural creation or experimental development activities; to participate in development, scientific and technological dissemination, and economic and social knowledge valorisation tasks; and to participate in the management of their higher education institutions.

3.2 - Under the terms of article no.3(4) of *ECPDESP*, the *Professor Adjunto* [senior lecturer] is responsible for cooperating with the *Professores Coordenadores* [professors] within the scope of a subject or scientific area, and, specifically, to: conduct and teach theory, theory-practice and practice classes; supervise internships, seminars, and laboratory or field work; manage, and develop scientific research and experimental development activities, following previously established guidelines on the subject or scientific area; cooperate with other lecturers of the subject or scientific area in the coordination of the programme, teaching methodologies, and general research guidelines.

4 - Salary (article no. 35(1) of *ECPDESP*): “The remuneration of career professors, and hired academic staff is established in a separate law.” - Decree-Law no. 408/89, dated November 18th, amended by Decree-Law no. 76/96, dated June 18th, Decree-Law no. 124/99, dated April 20th, and Decree-Law no. 373/99, dated September 18th.

5 - Admission requirements:

5.1 - Under the terms of article no. 17 of Law no. 35/2014, dated June 20th, and article no. 12-E of *ECPDESP*, only candidates who satisfy all of the following general requirements, up to the last day of applications' submission, may apply:

a) To be over the age of 18;

b) Not to be inhibited from carrying out public service nor forbidden to carry out the functions for which they are applying;

c) To have physical robustness, and the psychological profile required to carry out the functions

for which they are applying;

d) To have complied with the compulsory vaccination laws.

5.2 - According to article no. 17 of *ECPDESP*, only those who hold a Doctor's degree or a title of specialist, in the competition's area or a similar area, may apply. The specialist title indicated in article no. 17 of *ECPDESP* refers to the one specified in article no. 48 of Law no. 62/20017, dated September 10th, and Decree-Law no. 206/2009, dated August 31st.

5.3 - Candidates holding foreign qualifications must prove the recognition, equivalence or record of the Doctor's degree, under the terms of the applicable legislation.

6 - Application procedure.

6.1 - Applications must be presented in person, or by mail (registered letter with return receipt requested), sent to the following address of the Polytechnic of Leiria: Rua General Norton de Matos, Apartado 4133, 2411-901 Leiria, until the date established for applications' submission, as specified in no. 1 of this Public Notice.

6.2 - Applications are made by presenting a duly dated and signed competition admission request (form available at <http://www.ipleiria.pt/recursos-humanos/concursos/>), addressed to the President of the Polytechnic of Leiria, which must include: full name, date of birth, gender, nationality, I.D. number, address, email, telephone number, academic qualifications, professional category and position currently held (if applicable), indication of the competition, the number of the Public Notice, with the reference of the *Diário da República* in which it was published, as well as a list of the documents sent with the request.

6.3 - Candidates must also send the following documents, properly numbered and identified:

a) Photocopy of the academic and professional qualification certificates or other legally recognized document;

b) Declaration, with a sworn statement, to be provided in the form indicated in no. 6.2 of this Public Notice, of their status regarding each of the conditions of a), b), c) and d) of 5.1 of this Public Notice;

c) Documents attesting that the candidate meets the legal conditions referred in no. 5.2 and 5.3 (when applicable) of this Public Notice;

d) 1 copy of the *curriculum vitæ*, duly dated and signed, organized in accordance with the selection and seriation criteria, the assessment system, and final classification established in no. 7 of this Public Notice;

e) 1 copy of the documents attesting the facts stated in the candidate's *curriculum vitæ*; the candidate shall include the results of the pedagogical performance assessment surveys (when applicable);

f) 1 copy of the scientific and pedagogical work and career development plan for the next five years, specifying how the candidate may contribute to the progress and development of the competition's area, aligned with the mission of the School of Technology and Management of the Polytechnic of Leiria;

g) List with the exact identification of all documents provided, in a non-editable format (index or list with the name of each file in their order of presentation).

6.4 - The candidate must provide a copy of the documents mentioned in d) to f) in a non-editable format (pdf), in a duly identified digital recording device (CD/DVD/PEN); The candidate must make sure the files are readable and provide short file names.

6.5 - The documents must be presented in Portuguese, Spanish or English. Any document attesting the facts stated in the candidate's *curriculum vitae* or any work mentioned in the candidate's *curriculum vitae* which is written in a different language from the abovementioned must also be translated into Portuguese, Spanish or English.

6.6 - The non-presentation of the documents attesting the facts required in no. 5.1, 5.2 and 5.3 (when applicable) of this Public Notice, or the presentation after the period stipulated in no. 1, will lead to the exclusion of the application.

6.7 - The non-presentation of the documents related to the *curriculum vitae* of the candidate will lead to the exclusion of those aspects.

6.8 - The presentation of false documents will lead to immediate exclusion from the competition, and those facts will be reported to the competent authority for purposes of criminal prosecution.

6.9 - The documents provided by candidates shall be returned upon request, one year after the termination of this competition, except in the event that the competition has been subject to judicial objection, in which case the documents may only be returned after the jurisdictional decision is made.

7 - Selection and seriation criteria, assessment system, and final classification (established under the terms of articles 11(2)(a) and 18(1)(l) and (m), and no. 2 and 3 of Order no. 10 990/2010):

7.1 – Approval with absolute merit: Candidates are considered approved with absolute merit when they meet all of the following requirements:

a) A global *curriculum vitae* that the jury considers to have scientific, and pedagogical merit, with the development of other activities considered relevant for the mission of the higher education institution, in the competition's area;

b) Peer-reviewed scientific publications, in the competition's area;

c) Lectured curricular units or professional training (for employed professionals), in the competition's area.

7.2 – Seriation of candidates approved with absolute merit (relative merit): Seriation (relative merit) of candidates is made by applying the following criteria, in the terms indicated:

7.2.1- Technical and scientific and professional performance (TSPP), in which the following must be considered:

1) Scientific production (SP);

2) Participation in R&D projects (PRDP);

3) Intervention in the scientific community (ISC);

4) Academic extension projects (AEP);

5) Scientific potential (SPot);

7.2.1.1 - The classification to be awarded for this criterion represents 40% of the final classification, and is obtained by using the following formula:

$$\text{TSPP} = 40\% \text{ SP} + 20\% \text{ PRDP} + 20\% \text{ ISC} + 10\% \text{ AEP} + 10\% \text{ SPot}$$

As follows:

1) Scientific production (SP), which assesses the quality and quantity of the scientific production in the competition's area, namely books, articles in journals, particularly articles published in peer-reviewed or indexed journals, and communications in conferences, both in number and type of publications, considering the recognition given by the scientific community, as well as scientific awards;

2) Participation in R&D projects (PRDP), which assesses the candidate's previous experience in the competition's area, and their potential to participate in national and international funded projects, particularly participations as principal researcher;

3) Intervention in the scientific community (ISC), which assesses the candidate's capacity to intervene in the scientific community in the competition's area, namely the development of organizational and management activities related to scientific activity, participation as editor or co-editor of journals, participation in the assessment of articles for journals and communications in congresses, presentation of talks as guest, supervision and examination of works leading to an academic degree (Master and Doctor), participation in academic juries, consulting activities, and other activities of recognized merit;

4) Academic extension projects (AEP), which assesses the services provided to the scientific and educational community, as well as to the economic and productive system, and society in general, the promotion of scientific and technological dissemination actions, the organization and teaching of lifelong training actions, including professional training for other entities, and the promotion of knowledge valorisation and transfer actions, considering their duration and the level of responsibilities of the tasks developed by the candidate, as well as their relevance, in the competition's area;

5) Scientific potential (SPot), which assesses the candidate's capabilities to develop a relevant scientific production, aligned with the mission of the School of Technology and Management of the Polytechnic of Leiria, considering the work and career development plan presented by the candidate.

7.2.2 - Pedagogical skills (PS), in which the following must be considered:

1) Lecturing activities (LA);

2) Supervision and guidance activities (SGA);

3) Coordination of pedagogical projects (CPP);

4) Pedagogical material production (PMP);

5) Pedagogical innovation (PI);

7.2.2.1 - The classification to be awarded for this criterion represents 40% of the final classification, and is obtained by using the following formula:

$$PS = 30\% LA + 20\% SGA + 20\% CPP + 20\% PMP + 10\% PI;$$

As follows:

1) Lecturing activities (LA), which assesses the candidate's experience in lecturing and coordinating curricular units in TeSP, undergraduate, Master's, and Doctor's degrees, and other training with scientific relevance, in the competition's area, considering the extension of the lecturing, using whenever possible objective methods such as pedagogical surveys;

2) Supervision and guidance activities (SGA), which assesses students' supervision, tutoring and guidance activities performed by the candidate in the competition's area, namely the

supervision of final degree projects (undergraduate degrees and TeSP), curricular and extracurricular internships, and on-the-job training;

3) Coordination of pedagogical projects (CPP), which assesses the coordination and incentive of pedagogical projects, in the competition's area (i.e. development of curricular units' programmes, creation and coordination of degrees or study programmes...) or the revision and improvement of existing projects (i.e. revision of existing curricular units' programmes, participation on the reorganization of existing degrees or study programmes);

4) Pedagogical material production (PMP), which assesses the quality and quantity of the pedagogical material produced by the candidate, as well as the relevance and impact of pedagogical publications, awards and other pedagogical honours, in the competition's area;

5) Pedagogical innovation (PI), which assesses the candidate's intervention in the community, namely organizational and management tasks related to pedagogical activity and knowledge dissemination, and also, in general, all activities that reveal the candidate's capacity to have a relevant performance in the future in terms of pedagogical innovation, aligned with the mission of the School of Technology and Management of the Polytechnic of Leiria, considering the work and career development plan presented by the candidate.

7.2.3 - Other relevant activities to the mission of the higher education institution, which have been developed by the candidate (RA), in which the following must be considered:

- 1) Participation in bodies or structures established in the statutes of HEIs (PB);
- 2) Head of department (or similar structures) (HD);
- 3) Course coordination of CET, TeSP, undergraduate, Master's or Doctor's degrees (CC).

7.2.3.1 - The classification to be awarded for this criterion represents 20% of the final classification, and is obtained by using the following formula:

$$RA = 40\% PB + 30\% HD + 30\% CC.$$

7.2.4 - All subcriteria assessed in the selection and seriation criteria are graded in a numerical scale from 0 to 100 points.

7.2.5 - All results are presented rounded to one decimal place.

7.2.6 - Final classification (FC), in a scale of 0 to 100 points, is obtained by using the following formula:

$$FC = (0.40 TSPP + 0.40 PS + 0.20 RA).$$

7.2.7 - In case of tie, after the final classification is calculated, the jury will successively use the following criteria:

- 1) Experience in lecturing 1st and 2nd cycle programmes in Public Administration;
- 2) Highest number of publications in indexed journals, in the competition's area;
- 3) Highest number of lectured curricular units, in the competition's area;
- 4) Highest number of participations in the development or revision/adaptation of programmes of curricular units, in the competition's area.

7.2.8 - When candidates meet the conditions referred in article no. 26 of Order no. 10 990/2010, the jury should also take that article's provisions into account in its justified assessment.

8 - Public hearing: After receiving the applications, the jury may decide to hold public hearings, under the terms of article no. 28(4) of Order no. 10 990/2010. In this case, the public hearings shall take place between the 20th and 70th day after the deadline for the applications, and all candidates shall be informed with a five-day notice of the date and place of the public hearings.

9 - Members of the jury:

President: Ana Lúcia Marto Sargento – Vice-President of the Polytechnic of Leiria, indicated under the terms of article no. 23(1)(a) of *ECPDESP*, and article no. 10(1)(a) of Order no. 10990/2010.
