
STUDENT ADVISORY BOARD

RUN-EU - Regional University Network

Call for Applications

I. Description

RUN-EU - Regional University Network European University is a network of like-minded and regionally focused Higher Education Institutions, led by Polytechnic of Leiria, committed to societal transformation in the context of new and emerging regional and global challenges, in particular with sustainable regional development. RUN-EU is composed of four main management structures including one **Student Advisory Board**.

Student Advisory Board | Responsibilities

- Student Advisory Board (SAB) will strategically advise the work of the RUN-EU European University Management, with an emphasis on the student engagement activities, inclusion, and multiculturalism;
- Student Advisory Board (SAB) will advise on the implementation and format of the mobility innovative programs, Short-Advanced Programs, and Collaborative European Degrees, among others;
- Student Advisory Board (SAB) will work both at an institutional/regional level, as well as at an European level (RUN-EU);

Student Advisory Board | Members and activities

At the regional level, the local Student Advisory Board will be composed of 15 students (10 national and 5 international students from outside Europe).

Student Advisory Board will meet every six months to review and advise on the RUN-EU strategy, achievements, and its impact at the institutional level.

The 120 members of the eight RUN-EU SAB will meet annually in the RUN-EU Student Week that will be used as a venue to promote multiculturalism and multilingualism, in a unique International, diverse and inclusive environment.
