1. By order of June 22, 2021, of the President of Polytechnic of Leiria, Professor Rui Filipe Pinto Pedrosa, it was authorized to open, for a period of 15 days, from the date of publication of this notice in the Diário da República, an international public tender for a doctoral researcher for the pursuit of research and development activities in a view to the development of research activities in the field of Marine Biotechnology, within the scope of Research and Development Unit (R&D) Centro de Ciências do Mar e do Ambiente (MARE) - Politécnico de Leiria, UIDB/04292/2020.

2. Applicable Legislation:

- Decree-Law no. 57/2016 of 29th of August, which approved the hiring of doctorates to stimulate scientific and technological employment for all areas of knowledge hereinafter referred to as RJEC, amended by the Law 57/2017, dated 19th of July, and regulated by Regulatory Decree nr 11-A/2017, dated 29th December;
- Lei Geral do Trabalho em Funções Públicas, hereinafter referred to as LTFP (Public Employment Act), approved by Law n.º 35/2014, , in its current version, and Ordinance no. 125-A/2019, April 30, in it's current version;
- Labour Code approved by Law no. 7/2009 of 12<sup>th</sup> of February, under its current version.

3. In the wording of the article 16 of RJEC, this procedure is exempted from the authorization of the members of the Government responsible for the areas of Finance and Public Administration, namely in paragraph no.3 of article 7 of the LTFP; from the prior favourable opinion of the members of the Government responsible for the areas of Finance and Public Administration as mentioned in no. 5 of the article 30 of the LTFP and from the procedure for the recruitment of workers in the requalification situation referred to in Article 265 of the LTFP.

4. In accordance with article 13 of the RJEC and according to the appointment, the jury is composed as follows:

President: Nuno Miguel Morais Rodrigues

Member: Maria Manuel Gil Figueiredo Leitão da Silva

Member: Teresa Margarida Lopes da Silva Mougá

Substitute Member: Clélia Paulete Correia Neves Afonso

Substitute Member: Susana Maria da Silva Agostinho Bernardino

5. The workplace will be at the CETEMARES Building of the Polytechnic of Leiria, or in other places related to the Polytechnic of Leiria, or others, according to the requirements and needs of the research project.

6. The monthly remuneration to be attributed is the one provided for no. 1 of article 5 of the Regulatory decree no 11-A/2017, December 29, corresponding to the level 33 of the single remuneration chart, in the amount of € 2134,73, on exclusive dedication, without prejudice of the nº. 3, of the same article.

7. The applicants may be national, foreign and stateless, with a doctorate degree in Marine Biotechnology or other related area, and holding a scientific curriculum and training that reveals a profile suitable for the activities to be developed. If the doctorate degree was awarded by a foreign higher education institution it must comply with the provisions of Decree-Law no. 66/2018, August 16.

#### 8. Admission Requirements:

8.1 Applicants shall be at least 18 years of age or older, not be inhibited to holding a job in the public sector nor forbidden to perform the intended position; applicants shall also be in good health and possess the psychological profile required for the job and shall meet the compulsory vaccination requirements, in accordance with Article 17 of LTFP.

8.2 - Specific requirements for admission are those defined in the 7<sup>th</sup> paragraph and must have previous experience in seaweed biotechnology. The candidate must possess a H index of more than seven.

9. According to article 5 of RJEC, selection is to be made based on the candidate's scientific and curricular evaluation.

10. Scientific and curricular career evaluation is based on relevance, quality and up-to-dateness:

a) of scientific and technological production in the last five years, deemed most relevant by the candidate;

b) of research activities, applied or based on practical work, developed in the last five years, deemed most impactful by the candidate;

c) of knowledge extension and dissemination activities developed in the last five years, namely under the scope of the promotion of culture and scientific practices, deemed most relevant by the candidate;

11. The five-year period mentioned above may be extended by the panel, if requested by the candidate, whenever the suspension of scientific activities is justified on socially protected grounds like paternity leave, long-term serious illness, and other legal situations of unavailability to work.

#### 12. The evaluation criteria are the following:

C1) Integrated evaluation of the scientific production of the candidate in the last five years, starting from a global vision of the merit of his / her scientific and curricular path, namely the coherence and quality of the CV.

C2) Evaluation of the fundamental activities of research, fundamental, applied, or practice based research developed over the last five years and considered to be of greatest impact by the candidate, as well as extension, outreach, and dissemination activities, namely coordination or participation in research projects; technology transfer actions; organization of scientific events; participation in scientific committees of scientific events; participation as speaker in scientific events; participation in activities of outreach and dissemination of science.

13. The weight of each of subcriteria defined will be as follows:

C1) 60 %

C2) 40 %

Candidates will be ranked by the scientific and curricular evaluation (APCC) quantified by the following expression :  $APCC = 0,6 \times C1 + 0,4 \times C2$ .

The three best candidates from the resulting list will be invited for a public interview, which will be conducted in English, and may be held by videoconference.

After this phase the candidates will be sorted by their final classification, resulting from the application of the following formula:  $CF = (APCC \times 0,9) + (ENT \times 0,10)$ .

14. The final classification of the candidates is expressed in a scale of 0 to 20 values, considering the valuation up to the hundredths. 15. The jury shall deliberate by means of a nominal vote based on the selection criteria adopted and published; abstentions are not allowed.

16. Minutes of the jury's meetings, containing a summary of what has taken place in the meetings, as well as the votes cast by each of the members and their reasons, will be available to candidates whenever requested.

17. After completing the application of the selection criteria, the jury will draw up an ordered list of successful candidates with their classification.

18. The final decision of the jury is approved by the President of the institution, which also decides on the hiring.

19. Formalisation of applications:
