POLYTECHNIC INSTITUTE OF LEIRIA

Rectification Statement no. 810/2021

For having been published with a manifest material error in the expression of will detectable by the mere reading of the minutes of the jury of 24/09/2021 and of the corresponding Edital no. 1205/2021, of 29 October, relative to the present competition, specifically point 7.3. 1 of the Announcement contains an error in the abbreviation of the formula "Other activities relevant to the mission of the higher education institution that have been developed by the candidates (RA)", as well as the fact that paragraph c) of point 3 of the Annex to the Announcement is missing in the publication, which is equally prejudicial to all candidates in the competition, the respective correction is made.

Thus, in point 7.3.1, where it reads:

"7.3.1 - The classification to be awarded in this criterion, which represents 20% of the final classification, for a maximum of 100 points, results from the application of the following formula: RA = (DGP+PE+CC), being the aforementioned criteria evaluated according to the attached scoring grid"

read:

"7.3.1 - The classification to be awarded in this criterion, which represents 20% of the final classification, for a maximum of 100 points, results from the application of the following formula: RA = (CDG+PE+CC), being the aforementioned criteria evaluated according to the attached scoring grid"

In the annex to the notice where it reads:

ANNEX

	POINTS GRID	
1 - Technical, scientific and profes	sional performance (DTCP) - 40% of the final classification	1
Criteria	Curriculum vitae items to be assessed	Points
a) PID - the active participation in research and development projects is valued	i) As the head researcher of a research and development project and in R&D services	2 points
	ii) As a researcher member of the team in a research and development project or in R&D services	1 point
Maximum: 25 points		
b) PC - the scientific production and its sharing with the scientific community is valued	i i) For each scientific article in international scientific journal with review included in SCI - Science Citation Index and/or Scopus	1 point
	ii) For each invention patent published	1 point
	iii) For each book or chapter in an international book published	0,5 points
	iv) For each scientific abstract in scientific journal with review, included in SCI - Science Citation Index and/or Scopus	0,5 points
	v) For each scientific article in a peer-reviewed scientific journal, national or international, not included in the SCI - Science Citation Index and/or Scopus	0,4 points
	vi) For each scientific paper or abstract in national or international scientific conference or meeting published in the proceedings	0,4 points

	vii) For each oral communication at a conference or scientific meeting or international seminar	0,3 points
Maximum: 40 points	viii) For each poster communication at a conference or scientific meeting or international seminar	0,2 points
	ix) For each oral or poster communication at a national conference or scientific meeting	0,1 points
c) OT: the supervision or co-supervision of	i) For each supervision or supervision of a thesis leading to	2,5 points
dissertations or thesis leading to an academic	a doctoral degree and already concluded	
degree in the same or similar disciplinary area of the competition is valued	ii) For each supervision or supervision of a thesis leading to a master's degree and already concluded	1,75 points
Maximum: 15 points		
d) AT: the participation and the role played in	i) For each discussion in public examinations leading to the	2 points
juries of evaluation of dissertations or thesis	awarding of a doctoral degree	
leading to the awarding of an academic degree, in the disciplinary area or related to the competition is valued	ii) For each discussion in public examinations leading to a Master's degree	1 points
Maximum: 5 points		
e) EP: professional experience in the disciplinary	i) For each year of relevant professional experience in the	1,25 points
area, or related, of the competition is valued	disciplinary, or related, area of the competition	1,25 points
Maximum: 15 points		
2 - Pedagogical capacity	of candidates (CP) - 40% of the final classification	
Criteria	Curriculum vitae items to be assessed	Points
a) LUC: mastery of subject areas and responsibility	i) For each year of pedagogical professional experience in	1 maint (man
	,	1 point (per
	higher education, in the disciplinary area, or related, of the competition	academic year)
	higher education, in the disciplinary area, or related, of the	
	higher education, in the disciplinary area, or related, of the competition ii) For each distinct course unit or subject coordinated	academic year)
be assessed Maximum: 50 points b) PDP: the production of pedagogical documents	higher education, in the disciplinary area, or related, of the competition ii) For each distinct course unit or subject coordinated and/or taught in full by the applicant iii) For each course unit or subject the candidate collaborated with the person responsible for its teaching i) For each curricular unit or subject in which the candidate was responsible for preparing the syllabus of the curricular	academic year) 1 point
be assessed Maximum: 50 points b) PDP: the production of pedagogical documents	higher education, in the disciplinary area, or related, of the competition ii) For each distinct course unit or subject coordinated and/or taught in full by the applicant iii) For each course unit or subject the candidate collaborated with the person responsible for its teaching i) For each curricular unit or subject in which the candidate	academic year) 1 point 0,4 points
b) PDP: the production of pedagogical documents	higher education, in the disciplinary area, or related, of the competition ii) For each distinct course unit or subject coordinated and/or taught in full by the applicant iii) For each course unit or subject the candidate collaborated with the person responsible for its teaching i) For each curricular unit or subject in which the candidate was responsible for preparing the syllabus of the curricular unit	academic year) 1 point 0,4 points 0,5 points
Maximum: 50 points b) PDP: the production of pedagogical documents is valued Maximum: 25 points c) EFC: the coordination, guidance or supervision of projects and or final degree course internships	higher education, in the disciplinary area, or related, of the competition ii) For each distinct course unit or subject coordinated and/or taught in full by the applicant iii) For each course unit or subject the candidate collaborated with the person responsible for its teaching i) For each curricular unit or subject in which the candidate was responsible for preparing the syllabus of the curricular unit ii) For each curricular unit or subject in which the candidate developed support materials and/or support for theoretical,	academic year) 1 point 0,4 points 0,5 points
Maximum: 50 points b) PDP: the production of pedagogical documents is valued Maximum: 25 points c) EFC: the coordination, guidance or supervision of projects and or final degree course internships	higher education, in the disciplinary area, or related, of the competition ii) For each distinct course unit or subject coordinated and/or taught in full by the applicant iii) For each course unit or subject the candidate collaborated with the person responsible for its teaching i) For each curricular unit or subject in which the candidate was responsible for preparing the syllabus of the curricular unit ii) For each curricular unit or subject in which the candidate developed support materials and/or support for theoretical, theoretical-practical or practical lessons i) For each student oriented or supervised in a project or final degree course internship ii) For each student coordination in an internship or final degree project	academic year) 1 point 0,4 points 0,5 points 0,3 points
Maximum: 50 points b) PDP: the production of pedagogical documents is valued Maximum: 25 points c) EFC: the coordination, guidance or supervision of projects and or final degree course internships is valued	higher education, in the disciplinary area, or related, of the competition ii) For each distinct course unit or subject coordinated and/or taught in full by the applicant iii) For each course unit or subject the candidate collaborated with the person responsible for its teaching i) For each curricular unit or subject in which the candidate was responsible for preparing the syllabus of the curricular unit ii) For each curricular unit or subject in which the candidate developed support materials and/or support for theoretical, theoretical-practical or practical lessons i) For each student oriented or supervised in a project or final degree course internship ii) For each student coordination in an internship or final	academic year) 1 point 0,4 points 0,5 points 0,3 points 0,4 points
Maximum: 50 points b) PDP: the production of pedagogical documents is valued Maximum: 25 points c) EFC: the coordination, guidance or supervision of projects and or final degree course internships	higher education, in the disciplinary area, or related, of the competition ii) For each distinct course unit or subject coordinated and/or taught in full by the applicant iii) For each course unit or subject the candidate collaborated with the person responsible for its teaching i) For each curricular unit or subject in which the candidate was responsible for preparing the syllabus of the curricular unit ii) For each curricular unit or subject in which the candidate developed support materials and/or support for theoretical, theoretical-practical or practical lessons i) For each student oriented or supervised in a project or final degree course internship ii) For each student coordination in an internship or final degree project	academic year) 1 point 0,4 points 0,5 points 0,3 points 0,4 points 0,2 points
Maximum: 50 points b) PDP: the production of pedagogical documents is valued Maximum: 25 points c) EFC: the coordination, guidance or supervision of projects and or final degree course internships is valued Maximum: 25 points	higher education, in the disciplinary area, or related, of the competition ii) For each distinct course unit or subject coordinated and/or taught in full by the applicant iii) For each course unit or subject the candidate collaborated with the person responsible for its teaching i) For each curricular unit or subject in which the candidate was responsible for preparing the syllabus of the curricular unit ii) For each curricular unit or subject in which the candidate developed support materials and/or support for theoretical, theoretical-practical or practical lessons i) For each student oriented or supervised in a project or final degree course internship ii) For each student coordination in an internship or final degree project iii) For each discussion on project or final year internship	academic year) 1 point 0,4 points 0,5 points 0,3 points 0,4 points 0,2 points 0,1 points
