REQUIREMENTS

Offer Requirements

REQUIRED EDUCATION LEVEL

Computer science: PhD or equivalent

REQUIRED LANGUAGES

ENGLISH: Excellent

PORTUGUESE: Excellent

Skills/Qualifications

General requirements - those defined in article 17 of the General Labor Law in Public Functions (LTFP), approved by Law no. 35/2014 of June 20.

Specific Requirements

Those defined in article 10 of the ECIC and taking into account the scientific areas and related scientific areas considered by the Scientific and Technical Council, can only be admitted to it:

- Individuals who hold a doctoral degree in the scientific area of Computer Science and whose curriculum vitae is in line with the mission of CIIC or, also, those who, although holding a PhD in a different area, have a relevant scientific résumé in the scientific area of the competition.

If the doctorate has been conferred by a foreign higher education institution, it must comply with the provisions of Decree Law No. 66/2018, of August 16, and any formalities established therein must be fulfilled by the date of admission.

- Auxiliary researchers from another institution, within in the scientific area of the competition, and those who, although from a different area, have a relevant scientific curriculum in that area.

- The admission of candidates is conditional on their approval on absolute merit which will depend on:

1. Participation in exclusive dedication in projects with competing external funding (national or international) and other Research and Development

activities, in the last 5 years, with responsibility for tasks duly proven by the funding entity.

2. Publication as first author of at least 5 articles, in the last 5 years, in journals included in the first quartile of the Journal Citation Report (Science Edition) of the ISI Web of Knowledge or in the first quartile of the Scimago Journal & Country Rank, in the year corresponding to publication. Candidates who have experience in the area of Smart IoT Ecosystems will be privileged.

Failure to comply with these requirements will result in exclusion from the application. False statements made by candidates will be punished in accordance with the law.
