2 - Validity period: the present competition is exclusively intended to fill the aforementioned job positions and will be exhausted with its provision.

3 - Functional content of the category:

3.1 - Under the terms of Article 2-A of ECPDESP, teachers of the polytechnic higher education are expected to provide the teaching service that is attributed to them and follow and guide students; to carry out research, cultural creation or experimental development activities; to participate in tasks of extension, scientific and technological dissemination and economic and social valorization of knowledge; to participate in the management of the respective higher education institutions and to participate in other tasks allocated by the competent management committees and that fall within the scope of activity of polytechnic higher education teachers.

3.2 - Under the terms of paragraph 4 of article 3 of the ECPDESP, the *Professor Adjunto* [senior lecturer] is responsible for collaborating with the coordinating professors within the scope of a discipline or scientific area and, namely: to manage and teach theoretical, theoretical-practical and practice classes; to guide, direct and monitor internships, seminars and laboratory or field work; to direct, develop and carry out scientific research and experimental development activities, according to the general guidelines previously and superiorly defined within the scope of the respective discipline or scientific area; to cooperate with the other professors of the discipline or scientific area in the coordination of programs, teaching methodologies and general lines of investigation regarding the disciplines in that area.

4 - Remuneration position (article 35, no. 1, ECPDESP): "The remuneration regime applicable to career teachers and teaching staff hired beyond their career is set out in its own diploma." - Decree-Law No. 408/89 of November 18th, amended by Decree-Law No. 76/96 of June 18th, Decree-Law No. 124/99 of April 20th, and Decree-Law 373/99 of September 18th.

5 - Admission requirements:

5.1 - Under the terms of article 17 of the General Labor Law in Public Functions, approved by Law no. 35/2014 of June 20th, in its current wording, and of article 12-E of ECPDESP, only candidates who, up to the deadline for submission of applications, cumulatively meet the following general requirements, may apply:

a) Be 18 years of age;

b) Not be inhibited from exercising public functions or not be prohibited from exercising the functions to which the candidate is applying;

c) Have physical strength and psychic profile that are indispensable for the exercise of the functions to which the candidate is applying;

d) Have complied with the mandatory vaccination laws.

5.2 - In compliance with article 17 of the ECPDESP, holders of a doctoral degree or specialist title, in the area or similar area to that for which the competition is open, can apply for the competition. The title of specialist mentioned in article 17 of the ECPDESP refers to the provision of article 48 of Law 62/2007 of September 10th and Decree-Law no. 206/2009 of August 31st.

5.3 - Candidates with foreign qualifications must prove the recognition, equivalence or registration of the doctoral degree, under the terms of the applicable legislation.

6 — Formalization of the application:

6.1 - Applications must be formalized through a request, addressed to the President of the Polytechnic of Leiria, which can be delivered personally at the Central Services of the Polytechnic of Leiria - Office of Expedient and Archive, or sent by mail, registered with acknowledgment receipt, to the following postal address: Politécnico de Leiria, Rua General Norton de Matos, Apartado 4133, 2411-901 Leiria, until the deadline for submission of applications referred to in paragraph 1 of this notice. Applications sent by email will not be accepted.

6.2 - The application must be made on paper, by downloading and filling the form provided on the Polytechnic of Leiria's website (<https://www.ipleiria.pt/recursos-humanos/concursos/>) [where must appear: full name, date of birth, gender, nationality, ID number, postal and electronic address, telephone number, academic degrees, professional category and position the candidate currently holds (if applicable), reference of the competition the candidate is applying for, number of notice, mentioning the number of the *Diário da República* in which it was published, as well as a list of documents accompanying the application], which must be dated, signed and initialed.

6.3 - Along with the application for admission to the competition, the candidate must present the following documents:

a) Documents proving the fulfillment of the requirements set out in point 5.1 of this notice. Candidates are, however, exempted from presenting them provided that they declare, in the application for admission, under honor, that they satisfy such requirements. The supporting documents for the declared situations will have to be delivered by the candidates who fill the vacancies;

b) Copy of the certificates proving the title of academic degree or the title of specialist, pursuant to point 5.2 of the notice;

c) Documents proving the fulfillment of the conditions set out in point 5.3 of this notice, if applicable;

d) copy of the candidate's *curriculum vitae* (one), duly dated and signed, organized according to the selection and ranking criteria and to the system of evaluation and final classification contained in point 7 of this notice;

e) copy of the documents proving the facts indicated in the curriculum, including other degrees, diplomas or other professional titles;

f) Critical Reflection (RC): the candidate must submit a single document, organised and systematised according to the 3 dimensions to be assessed: Technical Scientific and Professional Performance (DTCP), Pedagogical Capacity (CP), and Other Relevant Activities (AR), considering the strategic plan of the Polytechnic Institute of Leiria, the mission of the School of Health and the articulation with the community, with a maximum limit of 5.000 characters not including spaces. When preparing the single document the applicant must refer to the specific evaluation terms for the sub-criterion (RC) defined for each of the 3 dimensions;

g) List containing the exact identification of all submitted documents.

6.4 - The documents referred to in point 6.3 of the notice must be delivered in digital format (CD, DVD or pen drive) duly identified, and the candidate must ensure the legibility of the files contained in the chosen external media.

6.5 - The documents referred to in the previous point should, as a rule, be in Portable Document Format (PDF), preferably in PDF/A version, except in situations where the document to be presented cannot assume the indicated format. The file name, which must be succinct and cannot contain any of the following characters: /, \, |, :, *, ?, ", (less than), and (greater than).

6.6 - Documents can be presented in Portuguese, Spanish or English. When documents proving the facts indicated in the curriculum or documents mentioned in the curriculum are originally written in another language, a translation into Portuguese, Spanish or English must also be submitted.

6.7 – The failure to submit the proving documents, required and provided for in points 5.1, 5.2 and 5.3 (if applicable) in this notice, or their presentation after the deadline stipulated in paragraph 1 of this notice, determines the exclusion of the application.

6.8 – The candidate's failure to submit the documents related to the submitted curriculum implies the non-valuation of the elements that they should prove.

6.9 - The presentation of false documents determines the immediate exclusion of the candidate from the competition, as well as the communication to the competent entities for the purpose of criminal proceedings.

6.10 - The documents delivered by the candidates will be returned to at their request, one year after the end of this contest, except in the event of a judicial challenge. In this situation, the return of the requested documents can only occur after the execution of a final judicial decision.

7 - Selection and ranking criteria and evaluation and final classification system (established under the terms of articles 11, point 2, paragraph a) and point 18, point 1, paragraphs l) and m) and points 2 and 3 of Order no. 10990/2010):

7.1 - The Technical-Scientific and Professional Performance (DTCP) of the candidates, which should be weighted:

a) Academic Degree and/or Titles (GAT);

b) Scientific production, publications, communications and conferences at home and abroad (PC);

c) Orientation of work leading to a bachelor's, master or doctoral degree (OT);

d) Participation in Juries of Academic examinations and/or for awarding the title of specialist (JPA);

Experience as a trainer in the area of Physiotherapy in training courses with a minimum of 18 hours - 1 point for each 18 hours of training.

SE: on a scale of 0 to 25 points, the supervision of curricular internships within the scope of a bachelor's degree or master's degree, in the area for which the competition is open, in the last ten years, will be valued, being the valuation made under the following terms:

- a) Supervision of curricular internships within the scope of a Master's degree in the area of Physiotherapy - 1 point per student;
- b) Supervision of undergraduate internships in the Physiotherapy area - 0,5 points per student.

EP: on a scale from 0 to 10 points, professional experience in the Physiotherapy area will be evaluated as follows:

Functions performed in a professional environment in the area of Physiotherapy - 1 point for each year.

RC: on a scale from 0 to 10 points, the critical reflection made by the candidate on the contributions of the pedagogical activities referred to in the previous items, for the performance of the function to which he/she is applying [2nd domain of critical reflection], considering the strategic plan of the Polytechnic Institute of Leiria, the mission of the School of Health and the articulation with the community, with a limit of 5.000 characters not including spaces (single document, integrating the approach of the 3 domains).

7.3 - Other Activities Relevant (AR) to the mission of the Higher Education Institution that has been developed by the candidates, in which they should be weighted:

- a) Holding Positions as Directors and on management committees and participating in committees or structures (CD);
- b) Participation in Projects or activities of a practical nature, of extension to the community or scientific dissemination, within the area in which the position is open (PP);
- c) Critical Reflection made by the candidate on the contributions of the activities mentioned in the previous items for the performance of the function they are applying (RC).

7.3.1 - The classification to be awarded in this criterion, which represents 10% of the final classification, for a maximum of 100 points, results from the application of the following formula

$$AR=(CD+PP+RC)$$

The above parameters are assessed as follows:

CD: on a scale of 0 to 45 points, professional experience in the area of Physiotherapy is assessed as follows:

- a) holding management positions and on management bodies and participation in bodies or departments, commissions, among others, formally constituted in a higher education institution - 4 points for each year;
- b) holding management positions and participation in bodies or departments, commissions, among others, formally constituted in the context of professional practice in the area of Physiotherapy - 3 points for each year.

PP: on a scale of 0 to 45 points, participation in projects or activities of a practical nature or for scientific dissemination, within the area in which the competition is open and not included in previous sub-paragraphs will be valued - 2 points for each.

RC: on a scale of 0 to 10 points, the critical reflection made by the candidate about the contributions of the activities referred to in the previous items, for the performance of the function to which he/she is applying [3rd domain of critical reflection], considering the strategic plan of the Polytechnic Institute of Leiria, the mission of the School of Health and the articulation with the community, with a limit of 5.000 characters not including spaces (single document, integrating the approach of the 3 domains).

7.4 - In the informed assessment, the Jury must also take into consideration the provisions of article 26 of Order no. 10990/2010, if the candidates are in the conditions referred to therein.

7.5 - The final classification (CF), on a scale from 0 to 100 points, will be obtained by the following formula $CF=(0.45DTCP+0.45CP+0.10AR)$, considering approved, in absolute merit, the candidates who receive a final classification equal to or greater than 50 points and not approved the candidates who obtain a final classification lower than that score. All results will be rounded and presented to one decimal place.

7.6 - If the final classification is equal, the best overall score obtained in the criterion - Pedagogical Capacity (CP) of candidates will be considered. If there is equality, the best overall score obtained in the weighting factor - Teaching Activity (AL) - Teaching and Coordination of Curricular units will be considered. The maximum limits resulting from using the final classification formula will not be considered in applying these criteria.

8 - Public hearing: the Jury may determine the holding of public hearings, which will be attended under the terms of article 28, no. 4, of Dispatch no. 10990/2010. Should there be the need for public hearings, they will take place between the 20th and 70th day following the deadline for submission of applications, being all candidates informed, at least five days in

advance, of the date and place in which these public hearings will take place.
