2 — Validity period: this competition is exclusively for filling the vacancy mentioned above and will finish when the admission is complete.

3 - Functional content of the category:

3.1 – According to Article 2-A of *ECPDESP*, polytechnic higher education teachers are responsible for providing the teaching service that is assigned to them, and to accompanying and guiding the students; for developing research, cultural creation or experimental development activities; for participating in tasks of development, scientific and technological dissemination and economic and social valorisation of knowledge and to participate in the management of the respective higher education institutions.

3.2 – Under the terms of Article 3(4) of *ECPDESP*, the Senior Lecturer is responsible for collaborating with the coordinating professors within the scope of a subject or scientific area and, namely: conduct and teach theoretical, theoretical-practical and practical classes; supervise, guide and monitor internships, seminars and laboratory or fieldwork; manage, develop and carry out scientific research and experimental development activities, according to the general guidelines previously defined in the scope of the subject or scientific area; cooperate with other professors of the subject or scientific area in the coordination of programmes, teaching methodologies and general research guidelines concerning the subjects of that area.

4 – Remuneration position (Article 35(1) of *ECPDESP*): “The remuneration regime applicable to career teachers and other teaching staff is defined in a separate law” — Decree-Law no. 408/89, of November 18, amended by Decree-Law no. 76/96, of June 18, and Decree-Law no. 124/99, of April 20 and Decree-Law no. 373/99, of September 18.

5 - Admission requirements:

5.1 – Under the terms of Article 17 of the General Labour Law on Public Service, approved by Law no. 35/2014, of June 20, in its current wording and of Article 12-E of *ECPDESP*, only candidates who satisfy all of the following general requirements, up to the date limit for submission of applications, may apply:

- a) To be over the age of 18;
- b) Not to be inhibited from carrying out public service nor be forbidden to carry out the functions for which they are applying;
- c) To have physical robustness and the psychological profile required to carry out the functions for which they are applying;
- d) To have complied with the mandatory vaccination laws.

5.2 – In compliance with Article 17 of *ECPDESP*, those who hold a doctoral degree or the title of specialist in the area or related area for which the competition is open may apply. The title of specialist mentioned in Article 17 of *ECPDESP* refers to the provision of Article 48 of Law no. 62/2007, of September 10 and of Decree-Law no. 206/2009, of August 31.

5.3 – Candidates holding foreign qualifications must prove the recognition, equivalence or registration of the doctoral degree under the terms of the applicable legislation.

6 - Application procedure:

6.1 – Applications must be submitted in person, upon receipt, or by post, by registered letter with acknowledgement of receipt, to the following postal address of the Polytechnic of Leiria: Rua General Norton de Matos, Apartado 4133, 2411 – 901 Leiria, until the deadline for submission of applications referred to in no. 1 of this Public Notice. Applications sent by email will not be accepted.

6.2 - The application request is made by filling in the form, which should be printed on paper, dated, initialled and signed via autograph. The form is available on the website of the Polytechnic of Leiria (https://www.ipleiria.pt/politecnico/recursos-humanos/concursos-e-contratos/carreira_teacher/).

6.3 - Candidates must accompany the application with the following documents, duly numbered and identified:

a) Documents proving the fulfilment of the requirements set out in no. 5.1 of this Public Notice; however, candidates are exempt from presenting them, provided they declare, in the admission application (form), under oath, that they meet such

requirements. The candidate who fills the vacancy submitted to the competition must deliver the documents proving the declared situations;

- b) Copy of the certificates proving the title of an academic degree in accordance with no. 5.2 of the Public Notice;
- c) Documents proving the fulfilment of the conditions set out in no. 5.3 of this Public Notice, if applicable;
- d) 1 copy of the curriculum vitae, duly dated and signed, as well as 1 copy of the documents proving the facts indicated therein, which must be organised according to the selection and seriation criteria and the assessment and final classification system mentioned in the score grid attached to this public notice;
- e) 1 copy of the work and technical-scientific development plan (PTDC), to be prepared by the candidate, in line with the mission of the ESECS of the Leiria Polytechnic and the research units that ESECS - Politécnico de Leiria formally integrate, with intervention in the scientific area of the competition;
- f) 1 copy of the pedagogical development project, to be prepared by the candidate, in line with the mission of the ESECS of the Polytechnic of Leiria and oriented towards the development of the training activity and the innovation in the teaching-learning process (PDP);
- g) List in a non-editable format containing the exact identification of all submitted documents (index or list with the name of each document in the order in which they are presented), in accordance with the selection and seriation criteria and the assessment and final classification system mentioned in the score grid attached to this public notice.

6.4 – The documents referred to in no. 6.3 of the Public Notice must be delivered in digital format (CD, DVD or pen drive) duly identified, and the candidate must ensure the legibility of the files.

6.5 - The documents referred to in the previous point must, as a rule, be in the Portable Document Format (PDF), preferably in PDF/A version, except in situations where the document to be presented cannot assume the indicated format; the file name, which must be succinct, cannot contain any of the following characters: /, \, |,;, *,?, ", (less than), and (greater than).

6.6 - The documents may be presented in Portuguese, Spanish or English. When documents proving the facts indicated in the curriculum or works mentioned in the curriculum are initially written in another language, a translation into Portuguese, Spanish or English must be provided at the same time.

6.7 - The non-presentation of the supporting documents proving the requirements for admission to the competition required and provided for in no 5.1, 5.2 and 5.3 in this Public Notice or its presentation after the deadline stipulated in no.1 of this Public Notice will lead to the exclusion of the application.

6.8 – Failure to submit the supporting documents related to the facts indicated in the curriculum vitae or their presentation after the deadline stipulated in no. 1 of this Public Notice, or also, the illegibility of the respective files, implies the non-valuation of the facts indicated in the curriculum that they should prove.

6.9 – The presentation of false documents will lead to immediate exclusion from the competition and the reporting of the fact to the competent authority for purposes of criminal prosecution.

6.10 – The documents provided by candidates shall be returned upon request one year after the conclusion of this competition, except if this competition has been subjected to judicial appeal. In this case, the return of the documents may only occur after the jurisdictional decision has become final.

7 – Selection and seriation criteria and assessment and final classification system (established under the terms of Articles 11(2) (a) and Article 18(1) (l) and (m) and no. 2 and 3 of Official Order No. 10 990/2010):

7.1 - Technical and scientific and professional performance (DTCP) in which the following criteria are weighted, considering the relevance of the curricular elements presented for the functions to be performed:

- a) Participation in research and development projects (PID);
- b) Scientific production, publications, communications and conferences at home and abroad (PC);
- c) Supervision of works leading to an academic degree (OT);
- d) Participation in juries of academic examinations and of the attribution of the title of specialist (JPA);
- e) Participation as a researcher in a Research Unit positively evaluated by FCT (IUI);
- f) Participation in professional training activities, in scientific societies and committees or in the organisation of scientific conferences considered relevant in the area in which the competition is open (FPSC);
- g) Scientific extension activities including reviews of articles and evaluation of projects considered relevant in the area in which the competition is open (AEC);
- h) Activities of a technical and professional nature considered relevant in the area or disciplinary areas in which the competition is open (ANTP);
- i) Work and technical-scientific development plan, for the next five years, in line with the mission of the School of Education and Social Sciences of the Polytechnic of Leiria and the research units that ESECS - Politécnico de Leiria formally integrate, with intervention in the scientific area of the competition (PTDC).

7.1.1 — The classification to be awarded in this criterion, which represents 40% of the final classification, to a maximum of 100 points, results from the application of the following formula: $DTCP = (PID+PC+OT +JPA+IUI+FPSC+AEC+ANTP+PTDC)$ being the above criteria assessed according to the scoring grid attached.

7.2 - Pedagogical ability of candidates (CP), in which the following criteria are weighted, considering the relevance of the curricular elements presented for the functions to be performed:

a) Length of service in higher education (TS);

b) Teaching activity: relevance of the experience of teaching curricular units in the area for which the competition is open and the functions to be performed (AL);

c) Production of teaching material: quality and quantity of the teaching material produced by the candidate in the area for which the contest is open (MP);

d) Coordination and promotion of pedagogical projects (e.g. development of new curricular unit programmes, creation and coordination of new study programmes, coordination of CU, etc.) or reform and improvement of existing projects (e.g. reformulate programmes of existing curricular units, participation in the reorganization of existing courses or study programmes), as well as the implementation of projects with impact in the teaching/learning process in the area for which the competition is open (CPP);

e) Supervision of curricular internships in the scope of undergraduate's or master's degree in the area for which the competition is open (SE);

f) Pedagogical development project, for a period of five years, in line with the mission of the School of Education and Social Sciences of the Polytechnic of Leiria and oriented to the development of the training activity and innovation in the teaching-learning process (PDP);

7.2.1 — The classification to be awarded in this criterion, which represents 40% of the final classification, to a maximum of 100 points, results from the application of the following formula: $CP = (TS+AL+MP+CCP+SE+PDP)$ being the above criteria assessed according to the scoring grid attached.

7.3 – Other activities relevant to the mission of the higher education institution which have been developed by the candidates (AR) in which the following criteria are considered:

a) Exercise of positions in management bodies and participation in bodies or structures of higher education institutions (ECOEI);

b) Participation in networks, associations, work groups, programmes, projects and/or community-related activities, framed in the area in which the competition is open (RCS);

c) Participation in other activities considered relevant to the institution's mission and not included in the previous points (OAR).

7.3.1 – The classification to be awarded in this criterion, which represents 20% of the final classification, to a maximum of 100 points, results from the application of the following formula: $AR = (ECOEI+RSC+OAR)$, being the above criteria assessed according to the scoring grid attached.

7.4 — The final classification (CF), on a scale from 0 to 100 points, will be obtained by the following formula: $CF = (0.40DTCP + 0.40CP + 0.20AR)$, considering as not approved the candidates who obtain a final classification lower than 50 points and approved in absolute merit the candidates who obtain a final classification equal to or higher than 50 points. All results are rounded and presented in one decimal place.

7.5 – In the reasoned assessment, the jury must also consider the provisions of Article 26 of Official Order no. 10 990/2010 if the candidates are in the conditions referred to in that Article.

7.6 – If the final classification of all candidates for the contest is less than 50 points, the jury may review the minimum approval score in absolute merit.

8 — Public Hearing: The Jury may determine the holding of public hearings, which will be attended under Article 28(4) of Official Order no.10990/2010. If these public hearings are required, they shall take place between the 20th and 70th days following the deadline for submitting applications, and all candidates shall be informed at least five days in advance of the date and place of the public hearings.

9 — Members of the jury:

President of the Jury:

- José Carlos Laranjo Marques, Principal Coordinating Professor of the Polytechnic Institute of Leiria, appointed under the terms of Article 23(1)(a) of *ECPDESP*.

Permanent members:
